November, 2011

Dear New York State Motorcycle Business Owner,

At one point or another while doing business, we hope you have had the pleasure of meeting an ABATE member. Perhaps this member was posting a flier in your shop for a local motorcycle event, or bringing you bumper stickers to pass out to your patrons.

Thank you for your involvement with ABATE of NY. We hope you will continue those relationships to support and protect the freedoms of the road for motorcyclists. In the past year, ABATE of NY Foundation has registered with New York State and the federal government as a nonprofit motorcycle safety organization. We have organized a Board, obtained proper counsel, and are now doing business as ABATE MAC; a 501c(3) charitable organization. We have a vision to save lives on NYS roads by increasing driver awareness of motorcycles, and encouraging motorcyclists to practice safe riding habits.

We would like you to consider contributing to our cause in any way you can. All donations are tax deductible. Your help, large or small, will, inevitably, save lives. We are specifically soliciting the donation of any motorcycle. We will sell raffle tickets for the bike throughout New York State, (this is an excellent advertising opportunity for your business!) our ABATE of NY Inc chapters are willing to assist us with these sales, and the Foundation will be setting up booths at several events throughout the season. All monies donated would be used for motorcycle safety and awareness across New York State.

Obviously many of you could never consider donating a motorcycle, but we could use all the help you can give. Any motorcycle related items, gift certificates for businesses throughout New York, or cash or check of any amount is welcome and appreciated. For information, please contact:
